## \*Mission Statement

"The Medical Oncology Association of Southern California (MOASC) is a leading oncology society that advances and protects the ability of cancer patients to obtain, and the ability of the oncology physicians to provide, optimal cancer care."

This program is presented for informational purposes only and is not intended to provide reimbursement or legal advice. Law, regulations, and policies concerning reimbursement are complex and are updated frequently. While we have made an effort to be current as of the issue date of this document, the information may not be as current or comprehensive when you view it. Please consult with your counsel or reimbursement specialist for any reimbursement or billing questions.

Update

## Program Overview

This live Web Ex session will provide participants with an overview of the support services available through the AstraZeneca Cancer Support Network, as well as a Medicare Reform Update. The Medicare-related discussion will include changes to the reimbursement methodology for physician-administered drugs and administration services, the Competitive Acquisition Program (CAP), the Medicare Replacement Drug Demonstration (MRDD) project, and the upcoming Medicare Part D prescription drug benefit. There will be a question and answer session at the end of each program.

## Learning Objectives

At the conclusion of this program, participants will be able to

- List fundamental changes to the health care system brought on by the Medicare Prescription Drug, Improvement and Modernization Act of 2003 (MMA), as it relates to changes in coverage, reimbursement, and acquisition of drugs
- Identify highlights of the new Medicare Part D prescription drug benefit
- Identify the services available to providers and patients through the AstraZeneca Cancer Support Network (AZ CSN)
- Access the AZ CSN support services and/or know how to refer patients

## Target Audience

- Medical office managers
- Practice administrators
- Billing coordinators and staff
- Account receivable managers
- Physicians, nurses, and assistants
- Patient advocates
