

Hoag Cancer Center

Cancer 2007 Preferred Treatment and Management Options

February 8-10, 2007

Balboa Bay Club & Resort

Newport Beach, California

20 CME Category 1 Hours

Who Should Attend

Practicing medical oncologists, hematologists, radiation oncologists, oncology nurse practitioners and oncology physician assistants.

Course Objectives

Learn which treatments are preferred by colleagues from throughout the United States and understand the rationale for preferred treatment options as perceived by national experts.

Acknowledgement

This event is supported by unrestricted educational grants. At the time of printing, a complete list of industry supporters was not available.

Appropriate acknowledgement will be given to all supporters at the time of the program.

BALBOA BAY CLUB & RESORT ACCOMMODATIONS

Please call the Balboa Bay Club & Resort directly at 949/645-5000. Make sure to let the reservation agent know that you are attending the Hoag Cancer Center Preferred Treatment and Management Options conference and you will receive the preferred rate of \$245 per night (single/double occupancy); cut off date for room reservations is **January 8, 2007**.

Only 15 minutes from the Orange County Airport, the Balboa Bay Club & Resort is a waterfront resort in Newport Beach, California. Along with 132 spacious guestrooms, the resort includes a full-service spa, first class amenities, waterfront dining and breathtaking views of the Balboa Bay.

Registration Fees

Physicians:
\$325 before **December 8, 2006**
\$395 on or after **December 8, 2006**

Nurses:
\$150 before **December 8, 2006**
\$200 on or after **December 8, 2006**

Each attendee is responsible for their hotel, parking, travel and dinners. If registrations must be cancelled, your fee, less 10% for administrative costs, will be returned if we are notified by January 31, 2007. No refunds will be given after January 31, 2007.

Accreditation Information

This program has been approved for 20 hours of Category I Continuing Medical Education credit through the CMA-accredited program at Hoag Memorial Hospital Presbyterian.

This credit may be applied toward the CMA Certification in CME and the AMA Physician's Recognition Award.

NOTE: for California physicians, this course will meet 2 hours of the mandatory continuing education requirements of AB487 (October 5, 2001) for education in pain management and end of life care. A total of 12 Category I CME hours is required for all California physicians in this area of study before the end of 2006.
