

Dear Colleague:

As most of you already know, the legislative process in Sacramento has a direct impact on our profession, our specialty and our very existence as physicians. State laws control everything from the way we conduct our practices to the way we interact with health insurance companies to how we treat our patients. It is therefore absolutely critical that we involve ourselves in the legislative process in our state.

Fortunately, we have people like Assemblyman Ed Hernandez serving in Sacramento. Assemblyman Hernandez is a leading member of the important Assembly Health Committee and Assembly Business & Professions Committee as well as the crucial Assembly Budget Committee. As a health care professional, Assemblyman Hernandez understands the challenges we face as practicing oncologists in California and is always available to listen to our concerns and our solutions to the many critical health care issues facing our state.

In that regard, we are hosting a fundraising event for Assemblyman Hernandez on November 15, 2007 at the Queen Mary in Long Beach during our general membership meeting. We are asking all southern California oncologists to contribute \$250 to this fundraising event. Those dollars will go to Mr. Hernandez's campaign committee and will help ensure that he remains a strong voice for oncology and all physicians in Sacramento.

Please write your check to ***Ed Hernandez for Assembly, ID# 1293230*** and mail it to MOASC at P.O. Box 161, Upland, California 91785

We thank you in advance for your assistance and look forward to seeing you on November 15, 2007 at the Queen Mary in Long Beach.

Sincerely,

*Robert A. Moss*
