

But don't take their word for it! Listen to what other MOASC members say!

"If I took RemitDATA's Reimbursement Pro™ away from my billing department, they would kill me."

- Jeanne Sakamoto, Practice Administrator, Santa Monica Hematology Oncology

"By utilizing RemitDATA's Reimbursement Pro™ our billing staff has substantially reduced the time it takes to bill and follow up on secondary claims. Integrating the software into our billing process has resulted in a measurable improvement in our accounts receivable for our Medicare pay classes."

- Steven Elconin, Exec. Dir., Tower Hematology Oncology Medical Group

"RemitDATA has made a big impact on our company. It has allowed us to see our denials much more quickly than is customary and has helped us tremendously reduce the amount of denials we receive. We couldn't imagine not having RemitDATA. It is a great system!"

- Danielle Barry, Chief Financial Officer, Cancer Care Associates

"RemitDATA has been instrumental in helping us adequately charge capture by helping us identify and; therefore, take measures to reduce error."

- Janet Vafai, Practice Manager, Davood Vafai MD, Inc.

Using just a few of RemitDATA's management tools you too will be able to answer the key questions of successful practices, such as:

- How often am I being denied – for what reasons – on which procedures – by which payers?
- How do my reimbursement metrics above compare to my peers?
- Are we leaving any money on the table and if so where?
- How can I maximize my cash flow, and decrease my costs of collections?

Help MOASC set the standard of successful practices by utilizing this exciting new partnership with RemitDATA. And, for a limited time, MOASC members can try RemitDATA for 30 days at NO CHARGE to see if it would be a great resource for your practice.
