

Treatment of Unresectable Stage 3 Non-Small Cell Lung Cancer.

Lung Cancer Webinar Series Wednesday, August 31, 2022 6:00pm- PDT

Description:

A lively discussion on the Treatment of Unresectable Stage 3 Non-Small Cell Lung Cancer. This event is part of our virtual Lung Webinar Series - monthly, 60-minute, educational webinars on updates in clinical practice, research & development, technology & drug advancements in the treatment of Lung Cancer. This will be a great opportunity to learn from key opinion leaders along with engaging in professional exchange of ideas.

Moderator:

Hatim Husain, M.D.
Medical Oncologist
Associate Professor of Medicine
UC San Diego Health

Panelists:

Edward B. Garon, M.D., MS
Professor of Medicine at David Geffen
School of Medicine, UCLA Department of
Medicine, Division of Hematology/Oncology

Aaron E. Lisberg, M.D.
Assistant Clinical Professor at David Geffen
School of Medicine, UCLA Department of
Medicine, Division of Hematology/Oncology

Target Audience:

This educational activity is directed toward medical oncologists, nurses, nurse practitioners, physician assistants, and other professionals with an interest in hematology/oncology.

Benefits of Attending:

- Submit questions and cases for discussion in the field;
- Hear the latest clinical trial data and apply it to your patients; and
- Consider real-world scenarios and how to mitigate barriers to treatment.
